The monthly fees for October to June should be paid in advance at the end of each month for the following month. A supplement of CHF 10.- will be invoiced if the monthly payments are not made by the beginning of each month.

There is no reduction of fees for the Christmas and Easter holiday, or for prolonged absences.

Transition Period:

The transition period is an important time in the life of a child. The team is focused on ensuring that this transition occurs as smoothly as possible in respect of each child's rhythm. At the beginning of term, each parent (family member or nanny) should be available for a minimum of 2 weeks in order that the child can adapt smoothly.

For children from 18 months to 2 years, the Director will organise a timetable with the parents to allow each child to arrive at a different time. This welcome period with parents is limited to one hour. The child starts to stay without his or her parents in line with his or her degree of independence and comfort with separation.

During the month of August, families will receive a letter with an individual timetable for their child.

Equipment:

At the start of term, each child should bring a pair of slippers, a spare set of clothes, and nappies/diapers (if necessary), each of which should be clearly labelled with his or her name. Please ensure your child has practical clothes and footwear, adapted to the weather conditions.

Please provide a balanced, healthy snack for your child (without drink).

Holidays:

The Pitchounets holidays match the official school holidays in the Geneva canton. The exact dates are posted on the noticeboard at the Pitchounets.

Sickness, Accidents and Emergencies:

The supervising educator can refuse to accept the attendance of a child who presents symptoms of being ill.

Les Pitchounets reserves the right to discontinue the enrolment of a child who has had an accident and requires particular attention.

In the case of emergency, staff apply the guidelines provided by the Geneva Children's Health

Service.

Assurances:

Enrolled children must be insured for accidents and be covered by third party liability insurance (la responsabilité civile). Proof of each of these insurances must be provided at the start of the first term.

Communication:

All communication regarding your child should made directly to their group's educator.
